

Game Rules For 2 to 4 adult players

Object:

Be the first player to collect 5 cards.

Contents:

149 game cards with 298 trivia questions.

Playing:

Shuffle the cards. The player who was born closest to the Upper West side of New York City will get to answer the first question, then play moves to the left. On your turn, decide whether you want the easier question (at the top of the card) or the harder question (next to the diamond shape).

The player to the right takes the top card and reads the selected question out loud to the player whose turn it is. If the player answers correctly, they collect the card. Whether they answer correctly or incorrectly, their turn is over and the next player goes.

Winning: The first player to collect 5 cards wins.
