

heads in the sand

Find the different colored ostriches hiding in the sand!

Rules

a **fun** with Chimp and **learn** with Zee game

Object:

Be the first player to collect their five different colored ostriches.

Contents:

- Folding 3D game board
- 18 glittery ostriches (3 ostriches in each of 6 colors)
- Spinner

Set Up:

- Place the game board in the middle of the playing area. Insert all eighteen ostriches, head down, into the slots in the middle of the board (not the slots in the colored circles). Please note: There will be some empty slots.
- 2. Each player chooses a corner as their home area.

Playing:

The youngest player starts and the game then continues clockwise.

On your turn spin the spinner.

One ostrich: If the arrow lands on one ostrich, pick up any ostrich and show its head color to the other players. If the head color matches a color on your home area, keep the ostrich and put it in the matching circle.

If it's not a match, put the ostrich back in the same slot on the board.

Two ostriches: Pick up any two ostriches and play continues as above.

Ostrich in red circle: You pick no ostriches and the next player goes.

Rules for older players:

- Players collect ostriches in the color order (left to right) of their home area.
- Non-matching ostriches can be returned to any vacant slot on the board

Winning:

The first player to collect their five different colored ostriches is the winner.
