# Color Match Tri•Ominos<sup>®</sup>

## Rules

### **OBJECT:**

Be the first player to place all your Tri•Ominos or be the player with the fewest Tri•Ominos when no more moves are possible.

### **CONTENTS:**

56 Color Match Tri•Omino tiles.

### **SET UP:**

Place the Tri•Ominos face down and mix them. Each player takes the required number of Tri•Ominos as follows:

2 players            9 each

3 to 4 players      7 each

5 to 6 players      6 each

Players stand the pieces up with the colors facing them. Do not let the other players see your tiles.

### **PLAYING:**

The youngest player who has a Tri•Omino with three of the same color starts by placing that Tri•Omino face up on the table.

If no player has a Tri•Omino with three of the same color on it, the youngest player with two of the same color on one Tri•Omino starts. In clockwise order, the next player tries to match any two colors on the starting player's Tri•Omino with one of his/her Tri•Ominos.

### **PICKING FROM THE "WELL":**

If a player can't make a match, they pick from the "well" (remaining Tri•Ominos that are face down) until you get a tile that you can play.

If you can't match any Tri•Omino and there are none in the well, you are out of the game.

### **WINNING:**

The first player to play all of their Tri•Ominos wins.

If all players have passed, the game is blocked and the player with the least amount of Tri•Ominos wins.
