

For 2 to 4 players, ages 3 and up

HELLO KITTY[®] PICNIC IN THE PARK RULES

OBJECT:

Be the first player to get from Start to Finish.

CONTENTS:

Game board, cards, 4 movers, mover stands.

SET UP:

Remove the movers (Hello Kitty, FiFi, Joey and Tracy) from the sheet and place each one into a mover stand. Players choose who they want to be and place it at START.

Shuffle the cards and place them, face down, near the game board.

PLAYING:

The youngest player starts the game, then play moves to the left.

On your turn take the top card from the deck and turn it over. Move your mover up to the next space of that same color or picture and place the used card next to the card deck to start the discard pile.

Note: More than one mover can be on the same space.

If the color card you pick takes you to a space that has a friend on it, move to that space. The next player takes their turn and so on. When you run out of cards, take the discard pile, mix the cards and put them face down to use again.

FRIEND CARDS

If the card you get has a friend on it, move your mover forward or backward to that space. That ends your turn.

PUDDLE:

When players gets a puddle card, they must go BACK to the nearest puddle space. If there is no puddle space behind them, they stay where they are until their next turn.

WINNING:

You **MUST** draw a plain yellow card, which is the final color square on the board, to win. Otherwise stay where you are until your next turn, and so on.
