

Tri•Ominos Rules

OBJECT:

Be the first player to place all your Tri•Ominos or be the player with the fewest Tri•Ominos when no more moves are possible.

CONTENTS:

36 Nickelodeon Tri•Ominos

SET UP:

Place the Tri•Ominos face down and mix them. Each player takes the required number of Tri•Ominos as follows:

2 players —————> 9 each

3 to 4 players ———> 7 each

Players place their Tri•Ominos, face up, in front of them.

PLAYING:

The youngest player who has a Tri•Omino with three of the same character starts by placing that Tri•Omino face up on the table.

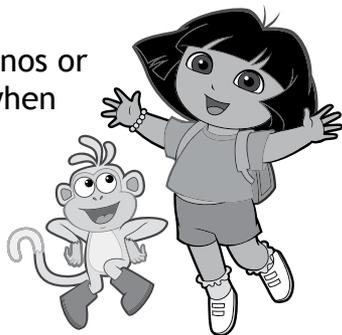

If no player has a Tri•Omino with three of the same character on it, the youngest player with two of the same character on one Tri•Omino starts.

In clockwise order, the next player tries to match any two characters on the starting player's Tri•Omino with one of his/her Tri•Ominos.

PICKING FROM THE "WELL":

If a player can't make a match, they pick from the "well" (remaining Tri•Ominos that are face down). Keep these Tri•Ominos separate from the other Tri•Ominos in your hand until you pick a match.

If you can't match any Tri•Omino in your hand and there are none in the well, you are out of the game.

WILD Tri•Omino:

This one Tri•Omino is WILD and can be placed against any other Tri•Omino that's on the table. If you get it, use it wisely! Likewise, a player can place any Tri•Omino against the WILD Tri•Omino on their turn.

WINNING:

The first player to play all of their Tri•Ominos wins.

If all players have passed, the game is blocked and the player with the least amount of Tri•Ominos wins.
