

# THE SMURFS™

# Make A Match Rules

For 2 to 4 Players  
Ages 3 to 6

**Contents:**  
48 Game Cards, 1 Clumsy figure

**Object:**  
To be the player with the most points at the end of the game.

**Gameplay:**  
1. Mix all the cards and place them, face down, in 6 rows of 8 cards each.

2. The youngest player starts by turning over any two cards so all players can see them. If the two cards match, that player places them next to him/her. That player also gets to take one extra turn (even if they get a match on their second turn). The player to the left now selects a pair and so on. If the two cards do not match, put them back where they were, face down, and the player to the left now takes their turn.

**Special Cards:**  
There are 3 types of special cards in the deck, as follows:

**Take Clumsy**  
• 10 "Take Clumsy" Cards: When you get a pair of these, you get to take Clumsy from the table or from the player who has him.

## Wild Card

• 2 "Wild" Cards: ANY other card you pick with this (including a Lose a Pair card or a Take Clumsy card) becomes an instant pair!

## Lose a Pair

• 4 "Lose A Pair" Cards: When you get a pair of these, you lose ONE of the pairs you have (return both pairs to the box).

## Ending and Winning the Game:

After there are no more matches to be made, players count up all the cards they have. The player who has Clumsy at this time adds an extra 4 points to their score. The player with the most points wins.
