

# WORD SNAG

## Rules

For 2 to 4 players  
Ages 8 to adult

### Object:

Be the first player to snag 20 points.

### Contents:

7 letter cubes, cube cup, 30 category cards, score pad. You will need a pen or pencil to keep score.

### Set Up:

Mix the category cards and place them on the table. Place the letter cubes in the cup.

### Playing:

The youngest player starts the game then play moves to the left. On your turn take the top category card and turn it over so that all players can see it. Then the player whose turn it is rolls all 7 letter cubes. Immediately all players shout out words that relate to the category that begin with one of the letters face up on the cubes. As a player shouts out a word, that player snags the cube with that letter on it. Opponents must object immediately if they think the word just shouted does not relate to the category.

When all of the letter cubes have been snagged, or players have gone 10 seconds or more without coming up with a word, the round is over.

### Scoring:

Players score one point for each letter cube they snagged during the round.

### Ending and Winning the Game:

The first player to snag 20 points wins. In case of a tie, tying players compete in another round.

### Alternate Red Letters Way to Play:

Play as above except in order to pick up red letter cubes, players shout out words where the red letter is in any position OTHER THAN the first letter in the word.

**Red Letter Play Example:**

**Allowed:**

Category: Liquids

Red Letter: T

A player can shout, "Water" and take the cube.

**Not allowed:**

Category: Liquids

Red Letter: P

A player cannot use the word, "Pop" because a "P" is also at the beginning of the word.
