

For 2 to 6 players, ages 4 and up

HELLO KITTY[®]

BIG ROLL BINGO RULES

OBJECT:

Be the first player to place five tokens in a row – either horizontally, vertically or diagonally – by rolling the dice and covering the matching squares on your bingo card.

CONTENTS:

- 6 bingo cards
- 2 big dice
 - one with B, I, N, G, O and Hello Kitty
 - one with pictures of Hello Kitty and other pictures
- 60 tokens.

SET UP:

Each player takes a bingo card and places one token on the center "Free Space" square.

The youngest player starts by rolling both dice. They look at the top of each game die, then see if they can place a token on their card. Example: with a roll of "N" and flowers, the player would look for the picture of flowers in the N column on his/her card and place a token on that square.

If a column has more than one of the pictures shown on the game die, the player chooses only one picture to cover. That ends the turn and the next player goes. If a column does not have any of the pictures shown on the game die, the player ends her turn and the player to the left goes.

When a player rolls Hello Kitty, he or she can choose any one of the five columns and cover the matching picture on the other game die. So if you roll Hello Kitty and the Dear Daniel, you can cover up any one Dear Daniel on your card.

ENDING AND WINNING THE GAME:

The first player to cover five squares in a row on his/her card is the winner and should shout "Bingo!" to let the other players know that they've won.
