

Hello Kitty® Bingo

Instructions

For 2 to 4 Players,
Ages 4 and up

Object:

Be the first player to fill up their bingo board with tokens.

Contents:

Four double-sided Hello Kitty bingo boards, deck of bingo cards, tokens.

Set Up:

Each player takes a Hello Kitty bingo board and places it with either side face up in front of her or him. Place the pile of tokens in the middle of the table near everyone's reach. Choose any player to also act as the "caller" (they also get to play the game).

Playing and Winning the Game:

The caller shuffles the deck of cards and places them face down, nearby.

She or he removes the top card from the deck and calls out the character or object that's on the card. Any player who has a match on their bingo card places a token on top of the picture. The caller puts that card, face up, next to the deck. She or he then turns over the new card on the top of the deck and calls out the character or picture on the card.

Play continues like that until one player has a token on all 16 places on their bingo card. That player is the winner and should yell out "BINGO!"

Variations:

X game: The first player to make an X with the game tokens on her or his card wins.

O game: The first player to have a token around the outer spaces on the board wins.

Free Square game: Before the caller announces the first card, each player can cover any one of their squares with a token.
